

GLOBAL DIGITAL COMMUNICATION AND ACTION

Prof. em. Dr.
Carlo Marinello

Dear members and friends of IADDM,

We hope you are doing well. As a young and small Academy we are eager to organize every year a professionally and socially memorable annual meeting.

We are excited that the **4th Annual IADDM Meeting** will be hosted at the **Yuluxe Sheshan, a Tribute Portfolio Hotel in Shanghai on December 10 and 11, 2018.**

December is the most beautiful time to visit Shanghai. It allows you and your companions –beside the visit of many touristic attractions– to prepare yourself for a wonderful Christmas spirit.

After a short-term necessity to change our meeting location from Nanning to Shanghai, the program chairs Carlo Marinello and Jörg Strub, together with the invaluable support of our Chinese colleagues have put together an exceptional scientific program with lecturers from all over the world, a poster and video session and last but not least an exhibition presenting innovations and technological breakthroughs.

Please see next pages for details. Big thanks go to our Chinese colleagues who act as local chairs.

Our 4th international IADDM meeting will be exceptional and memorable. This is a **"must attend"** meeting do to a state of the art program covering Digital Dentistry.

We look forward to welcoming you to Shanghai and to sharing with you two extraordinary days.

Yours sincerely,

Prof. em. Dr. Dr. h.c.
Joerg Rudolf Strub

Prof. em. Dr. Carlo Marinello | President IADDM | Program Chair

Prof. em. Dr. Dr. h.c. Jörg Strub | Past-President IADDM | Program Chair

Agenda (Day1)

The Yuluxe Sheshan, a Tribute Portfolio Hotel, Shanghai, China

Monday December 10th, 2018, (08.30-18.00)

INTERNATIONAL ACADEMY FOR
DIGITAL DENTAL MEDICINE

JOIN IADDM NOW AND ENJOY THE BENEFITS

Becoming a member of IADDM will give you the chance of exposure to innovations and cutting edge technologies related to digital dental medicine. In addition, you will get to know and network with international colleagues with similar interests in digital dental medicine. Anyone interested in the objectives of the IADDM can become a member. There are four categories of membership:

Active Membership

Any individual concerned with digital dental medicine is eligible for Active Membership upon recommendation of the membership committee after having been an Associate for 4 years. Examples of individuals eligible for Active Membership are: Physicians, dentists, dental technicians, other health care professionals and researchers.

Associate Membership

Any individual concerned with digital dental medicine is eligible for Associate Membership. Examples of individuals eligible for Associate Membership are physicians, dentists, dental technicians, other health care professionals and researchers.

Corporate or Association Membership

Manufacturers of medical/dental materials, equipment and instrumentation, publishing companies, other commercial organizations and associations with a special interest in the objectives of IADDM as judged by the Executive Committee of the IADDM and ratified by the General Assembly.

Student Membership

Students in undergraduate-postgraduate programs (e.g. MD, DMD or DDS) can become a postgraduate Student Member.

Honorary Membership

Honorary Membership will be limited to individuals identified by the Executive Committee of IADDM and ratified by the General Assembly as having made an exceptional contribution to digital dental medicine.

For further information about the membership and the application process, please visit www.iaddm.com or send an email to membership@iaddm.com.
